Call for Presenters

Presenters are needed to share their general experience of having had

A Spiritual Awakening

as a result of working the SAA 12-Step program; and, more specifically, to share how that awakening has led to serving others, both inside and outside our fellowship. Your experience, strength, and hope in these areas qualify you to be a presenter.

Each session will have three breakout groups. Each group needs a presenter.

Presenters, please plan on taking 15 or 20 minutes to introduce your topic; then, allow for some type of group interaction to complete your session.
